

Wycombe 1, Oxford City 0

WYCOMBE maintained their fine run with a narrow but deserved victory over Bobby Moore's Oxford City in a friendly at Loakes Park on Tuesday September 23.

The only goal came mid-way through the first half when Gary Toll crept in on the blind side following George Borg's corner and headed the ball into the net off the underside of the bar.

Wanderers controlled much of the match thanks to commanding performances by Mick Holifield in midfield and Steve Hardwick at the back.

Blues appeared likely to increase their lead when

awarded a penalty in the second half. But the referee, after consulting a linesman, changed his decision and gave Oxford a free-kick.

If Toll had been a little sharper Wycombe would have won more easily against their Isthmian League Division One opponents.
